LINCOLN-WAY VARSITY basketball team, won the 1964-65 Southwest Suburban conference championship, winning 13 games and losing one. A 51-50 loss to Homewood-Flossmoor prevented the Knights from having a perfect season. For the same reason they had a record of 19 wins as against four losses. A. L. Willis came to Lincoln-Way last fall from Pinckneyville where he had several teams that went to the state tourney at Champaign-Urbana. He was assisted by Ed Edson, a graduate of the University of New Mexico, where last year he played on the varsity cage team with Skip Kruzich who was quite a basketball player at Lincoln-Way. The players, left to right, are: Bill Stanfill, Dan Murray, Keith Schram, Rich Schroeder, Mike Seitzinger, Howard Grimes, Karl Warning, Tom Hartnell, Jon Davis, Tom Hamilton and Marc Schonwise. Village Board Postpones Water Bond Referendum

The bond referendum scheduled by the Mokena village board for April 13 will be held at a later date that will be announced later, it was decided at the last meeting of the council.

The election was for the purpose of seeking approval of a bond issue to extend and improve the water system.

The original program called for work that would cost an estimated \$140,000. Such an amount in general obligation bonds could not be issued at this time, Trustee Marvin Weitendorf reported to the board. The top figure for a G.O. bond issue now, he stated, was \$107,000.

He said that Ralph Yunker, the village engineer, would have to revise his estimates and decide what should be included in the referendum and what could wait until a later date.

Weitendorf also suggested that the referendum be put off until a later date to give the engineer ample time to go over his figures and prepare his recommendations.

The board members agreed to have the election at a later date.

Village Attorney Ronald Galowich told the board that the village is going to have to find additional revenue to meet its needs.

Trustee Hans Mueller recommended that any plans for opening the alley between Carpenter and Third streets be tabled until more information can be obtained.

The village has joined the Stream Protectors Association and paid its dues--\$3 a year. No action was taken on the proposed purchase of a new pick-up truck.

Two Tickets To Make Bid For Mokena Village Vote

Mokena voters in the village election April 20 will have a choice between two tickets. One is headed by Mayor Charles Swanberg, who is seeking re-election, and the other by Eric Book, who is opposing Swanberg.

On the ticket with Swanberg are, Alvin Sorensen, who is seeking re-election as village clerk; Clarence Zugenbuehler, up for re-election as a village trustee, and two others running for seats on the village board, George Bills and Roy Richardson.

There is no candidate for village clerk on the ticket headed by Book and the candidates for trustees are William Sheridan, James Quinn and Edward Haislet.

Swanberg, who has been a resident of Mokena many years, was born in Manhattan. He operates a farm machinery and equipment business and has been quite active in the Chamber of Commerce. He also is president of the Mokena park district. He and his wife reside on Mokena street. They have a son, Wayne, now in college, and a daughter, June.

Eric Book has been a resident of Mokena for the past 10 years and resides on Third street with his three children, Margoo Eric and Jim. He is employed in the chief technical proposal group of the Andrew Corporation at Orland Park. He has been active in the affairs of the Mokena volunteer fire department and is now serving as its secretary. This is his first venture in politics.

Village Clerk Sorensen has grown up in Mokena and is completing his 20th year of office. He and his wife, Rita, recently celebrated their 25th wedding anniversary. They reside on Bryant street and have eight children.

pire next month is that originally held by George Carlyle. When he resigned because of moving from the district Mr. Omland was appointed to his place. Now Omland, who has been closely identified with Boy Scout and recreational activities for many years, is now a candidate for a full term as is Mr. Steen.

The park district was organized six years ago and the members elected drew lots to determine the length of their terms so they could be rotated. Mrs. Niethammer and Carlyle had six-year terms.

There is no compensation paid park board members.

ren. Mr. Sorensen is employed by the General Electric Corporation at Chicago. He has been active for many years in baseball programs for boys.

The incumbent trustee, Zugenbuehler, has been a Mokena resident 11 years. He is employed as a cattle market reporter for the Chicago Daily Drovers Journal at the Union Stockyards, Mr. and Mrs. Zugenbuehler and their two children, William and Barbara, reside on La-Porte road.

George Bills and his wife, Jane, an English teacher at Lincoln - Way high school, have been Mokena residents 19 years. Bills, who holds the rank of colonel in the active reserves, served as an officer in World War II for five and a half years. He is employed in the sales department of John Mansville Corp. He is a past president of the Mokena Lions and the former Mokena Civic Association, and serves on the committee of Boy Scout Troop 40. The Bills live on Parker street and have three sons, Charles David and Robert.

Roy Richardson, owner and operator of Richardson's Meat Market on Front st., is making his debut as a candidate. Six months ago he was appointed by the village board to serve on the zoning board of appeals. He is a member of the Chamber of Commerce, Lions club and Amvet post. The Richards have been residents of

Mokena for 16 years. They have a son, Gordon, and three daughters, Janet, Barbara and Cheryl.

This will not be the first venture into politics for William Sheridan. Two years ago he ran against Swanberg when the latter was a candidate for re-election to the park board and missed by only a narrow margin. He also was a candidate for Democratic precinct committee, a post he now holds. Sheridan was graduate from Lewis college in January and plans to enter law school later. He resides on Center street with his mother, Mrs. Lucille Sheridan, and three brothers. He is a substitute rural mail carrier out of the Mokena post office.

James Quinn, who has resided in Mokena since 1952, is employed as product manager in the advertising department of Swift & Co., Chicago. He is a member of William Martin post, No. 725, Veterans of Foreign Wars, and active in the affairs of Cub Pack 38. He and his wife Midge, and two sons, Kevin and Sean, live on Parker st. This is his initial step in politics as a candidate.

Also making his debut as a candidate is Edward Haislet. He lives on Anna street with his wife and children, Lawrence, James and Kathleen Ann. Haislet is employed by Ace Insulation of Chicago and is a member of the Moose lodge and the Mokena Lions club.

Hire Additional Teacher For Vo. Ag. Dept. At L-W

Town boys and girls, as well as farm boys and girls, are now eligible to enroll in vocational agriculture classes," according to Robert Van Rheeden, vo-ag teacher at Lincoln-Way high school and to meet the need occasioned by larger classes an additional teacher has been hired.

This new approach to offering agriculture courses took place in conjunction with the new Federal Vocational Act. The new courses to be offered at Lincoln-Way next fall, will emphasize training for non-farm agricultural occupations as well as farming.

"Because of these new requirements class enrollment has more than doubled," said Mr. Van Rheeden, "and made it necessary to hire an additional instructor to handle part of the new agriculture classes."

Eugene H. Wagner, a June

E. H. WAGNER graduate of Illinois State university, has been hired to assist Mr. Van Rheeden in the L-W Vo-Ag department. Mr. Wagner has been a member of the university livestock judging team and has participated in judging contests all over the United States. He was raised on a 600-acre livestock and grain farm near Mt. Sterling, Illinois. He did his practice teaching at Lincoln-Way.

Charles Vostry, 193rd st.

working beneath his car Fri-
day, changing a clutch. The
automobile was up on jacks.
It slipped off, pinning Vostry
to the garage floor.

Fortunately there were
some blocks that prevented
the car from crushing the
owner but it held him help-
less until his wife came out
of the house to empty gar-
bage. She heard him ham-
mering and calling for help.

Mrs. Vostry summoned
aid and the Mokena fire de-
partment and police were

called. They hoisted up the
car, pulled Vostry out and
then took him to Silver Cross
hospital. X-ray examination
failed to reveal any frac-
tures and Vostry was per-
mitted to go home.

He was severely bruised
and quite chilled as he
was pinned under the car
for an hour before anyone
knew of his plight. The fam-

apparently heard Mr. Vos-
try calling and hammering
because he barked for some-
time but no one was able to
translate his talk.

Knights Win Cage Title; Sandburg Is Second

Lincoln-Way Beats Rich East For Top Spot In SWS

BY NORM BEEBE
For the first time in the history of Lincoln-Way high school, the basketball Knights were proclaimed undisputed SWS conference champions by stunning the Rich East Rockets 92-67. This was the 13th conference victory for the Knights with only one defeat, that coming at the hands of the Homewood - Flossmoor Vikings 51-50. In overall competition the Knights sport a sensational 19-4 record.

Keith Schram took scoring honors in the final conference game by hitting seven out of 11 from the field and eight out of nine from the charity stripe for 22 points. Three other Knights scored in double figures Friday night, Rich Schroeder and Bill Stanfill with 18 each and Howie Grimes with 10. The Knights also had the rebound honors by snagging 38 compared to Rich East's 35.

Bauch and Bladek were high in Rich East's scoring column with 16 points each, followed by Croker and Cotton with 14 and 13 respectively.

The Knights had no trouble with the Rockets at any point in the game and led them to a 23-17 first period score. A seven point margin separated the two teams at the half with a score of 42-35.

In the third period Howie Grimes and Tom Hamilton, two of the finest starters for the Knights, fouled out. Their positions were superbly taken over by sophomores Mike Seitzinger and Frank Fleck. With three sophomores in the lineup, the Knights pushed the score to 67-52 entering the final stanza. In the fourth period the Knights outscored the Rockets by 10 points to give them a 92-67 conference title victory.

The Knights will meet Joliet West at Lockport West March 2 to start off the regional tournaments.

Four years ago the Knights wound up in a tie with Homewood - Flossmoor for the

conference title. That was when Skip Kruzich was a senior and one of the top players in the SWS cage circuit. Joe Krusich, now a member of the administrative staff at Lincoln-Way, was the coach.

This year's coach, A.L. Willis, whose first two initials serve as a name, was formerly mentor of the Pinckneyville basketball squad that was a contender for the state crown for years. Willis came to Lincoln-Way last September. His assistant is Ed Edson, who is in his initial year of coaching. Edson was a teammate of Skip Krusich on the famous University of New Mexico cage team last year. Kruzich is captain of New Mexico this year.

Supt. A. Hunter Chapman has written a letter to the cage coaches, Willis and Edson for the varsity; Gene McGivern, sophomore and Jim High, frosh squad coach, congratulating them on their fine achievements this year and expressing the appreciation of the school, teachers and students, for their work.

When the conference trophy is presented to the champions there will be a special assembly but the date has not been set.

Lincoln-Way game score for the year were:

Eagles Score In State Swim Meet; Qualify 7

BY TIM SEDGWICK
Sophomore Terry Brazel last Saturday took a fourth place in the Illinois State swimming meet in the 400 yard freestyle to give Carl Sandburg its first points ever in state competition.

Brazel lost third place by a judges decision, he and the third place winner having identical times of 4:10.0. Brazel also competed in the 200 but was defeated Friday night in the semi-finals.

In all Sandburg qualified in seven events for the state meet by placing five men in the district in the first

two places. Senior Bob Hutchinson was unable to qualify for the finals Friday night in either the 50 or 100 yard freestyle events.

Senior Mike McNaughton also failed to qualify in the 100 yard backstroke. Others swimming Friday night were juniors George Ware in the 400 freestyle and Alan Stelter in the 100 yard breaststroke.

In team scoring in the state meet New Trier won for the second year in a row followed by Evanston and then Hinsdale.

Haislet Wins 1st Match At State Meet

BY BILL KAROLICH
This year's wrestling Eagles did not fare so well in Champaign this past weekend. In the past few years Sandburg has had three state champions, two runners-up, one third place, and two fourth place winners. Sandburg as a team has placed in the top ten in the state for the past few seasons.

This year, Sandburg sent only three boys to Champaign; Larry Cobden 138

lbs., Tom Haislet 112 lbs. and Ed Apel, heavyweight. Sandburg scored one point on the one victory downstate, by Tom Haislet. Haislet won his first match from Bill Joyce of Springfield Lanhier 2-0. In his second match, Haislet lost to Dave Rohe of Ottawa 4-0. Larry Cobden lost his first match to George Freeland 9-0. Ed Apel was beaten by Fred Beilfuss of Glenbard West on a referee's decision.

Eagles Take Oaks 45-42; Are Ready For Regional

BY ED PETERSON
The Eagles rounded out their conference state with a high note last weekend as they defeated Oak Lawn, 45-42, for the second time this year, to give them second place in the SWS standings.

Altho the Eagles held the lead thruout the whole game, the Spartans rallied in the fourth quarter to make it an interesting contest. With barely two minutes left in the battle, the Sandburg five led by a mere two points. The game ended with the Sandburgites holding a slim three point lead.

This game featured the two leading scorers in the SWS conference as it pitted Eagle center Bruce Hyink against Spartan forward Doug Shaeffer. True to form, this pair were the highest scorers in the battle as Hyink tallied for 18 and Shaeffer 15. Eagle guard Doran Harding also marked for a 15 point effort.

Altho they won this battle, the hopes of Sandburg fans were shattered as Lincoln-Way smashed Rich East 92-67 in clinching the conference title. If the Rockets had been able to salvage a victory the Eagles would have been a co-holder of the championship.

Sandburg's conference record ended up at a respectable 12 wins and 2 losses, both being dealt by the hands of Lincoln-Way. A record such as this is often good enough to capture the throne, but in this case it wasn't quite enough.

The Knights lost only once thruout the season as the Homewood - Flossmoor Vikings downed them in a 51-50 upset. This is the second championship team in the history of the school and it holds the finest record ever witnessed at Lincoln-Way, 13 wins and 1 loss.

This week the Eagles will try their luck in the Thornridge regional. The first clash of the tourney will be with Thornton Fractional North, the team which put down the Sandburg five in the Turkey tournament. Altho the first meeting indicated a loss, this has no effect upon the outcome whatsoever. This initial clash came before the Eagles found out where their strength lay. The Meteors caught the Eagles at one of their weaker moments as it was only our third game of the season.

Featured in the regional will be the Thornton Wildcats, heading the VPI coaches poll which picks them as the best in state. If the Eagles can get thru their first two battles they will meet Thornton for the regional crown, providing the same is true for the latter. The Wildcats are a well-coached unit, relying on speed and deception in their bid for the state title. In 1960 they emerged as a runner up for this honor and have not been content without a complete victory as of yet.

The Eagles will be doing their best to spoil all these plans over the weekend.

Grade Teams To Hold Cage Tourney At CSHS

The second annual Tinley-Orland-Palos grade school basketball tournament is to be staged in the Carl Sandburg high school gym tomorrow night and Saturday, March 5 and 6.

Participating will be the six teams of the TOP league. There will be two games Friday night, the first beginning at 7 o'clock. The losers Friday will play a consolation game Saturday morning at 10 o'clock. Beginning at noon there will be two games with final two games Saturday night, starting at 7:00.

At the close of play trophies will be presented to the winners of the conference schedule, the four top teams of the tournament and the best cheerleading unit.

Kirby McIntosh school aided the champions for regular conference sea-

son, taking the lightweight as well as the heavyweight title. Palos West and Oak Ridge tied for second place in the heavyweight division while Orland Park and St. Michael finished in a tie for fourth place. Arbury was in sixth place.

No ties marked play in the lightweight division. After Kirby-McIntosh came Orland Park, Oak Ridge, Palos West, St. Michael and Arbury.

Admission for the tournament is 25 a session for students and 50 cents for adults. Tournament tickets, which save a fan a third of the price, may be obtained from any of the participating schools or at the door tomorrow night. Proceeds will be added to the conference fund to defray operating expenses for the year.

PAUL KANE, son of Mr. and Mrs. William Kane, West ave., Orland Park, shot a wild boar with bow and arrow at a game preserve near Claypool, Ind. He had a harrowing experience with a larger boar which broke into the bow and arrow area, from the area where the big ones are shot with guns. Paul put an arrow into the large boar but a gun hunter had to jump the fence to finish the kill.

He made thee to hear his voice, that he might instruct thee.—(Deut. 4:26).

One of God's greatest gifts is the conscience He has instilled in all of us. Acting like a warning bell this conscience tells us when we are about to do something that will cause harm to us or to others. We should heed it at all times.

Your joy no one taketh away from you.
—(John 16:22).

Being happy is one proof of our trust in God. If we really believe in Him then no matter what is wrong, no matter what problems confront us, no matter what the outlook we will not brood over them; we will be happy in the knowledge that God will guard us and help us through trying times.
